- 1 | Small roll of galvanized wire (1mm thick, only for 3rd cycle classes);
- 1 | Universal pliers (only for 3rd cycle classes);

\* If the student already has any of these materials, there is no need to buy new ones.

## NOTES

- All material, including manuals, must be labeled;
- Students should have all the materials at the beginning of the school year;
- The materials in the kit for daily use can also be used in Visual Education and Technology Education;
- Depending on the projects to be developed during the school year, additional materials to this document may be requested;
- We recommend the Ponto das Artes store (<https://www.pontodasartes.com/pt/>) to buy more specific art materials, such as duplex cardboard, water brushes, and all those that aren't available in hypermarkets.
